## Question 6:
How to create sub accounts, create multiple users and navigate ?

User as an "Owner" can change Team setting via Merchant Dashboard/Team Panel by editing **Team Member Details**.
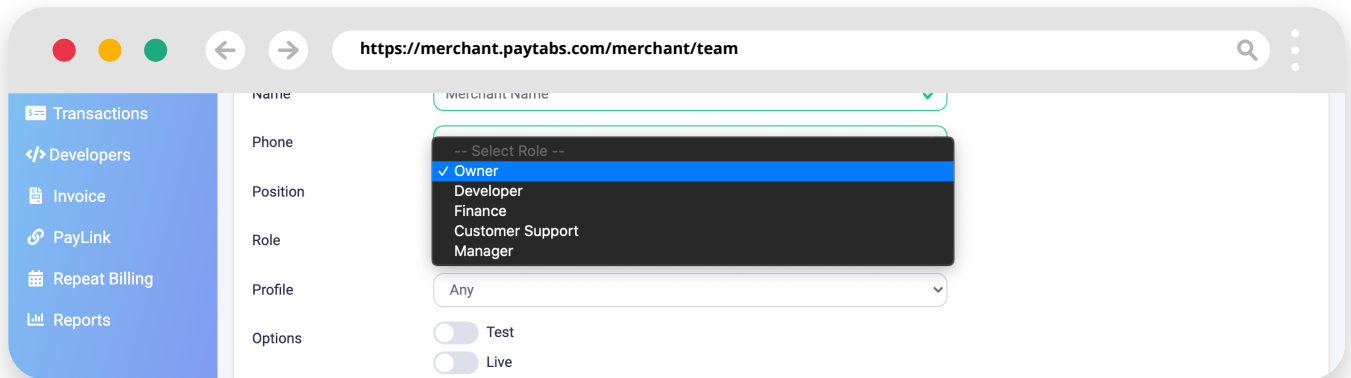

To configure merchant dashboard access for different users, go to the **Team panel**, then find the user to be configured.

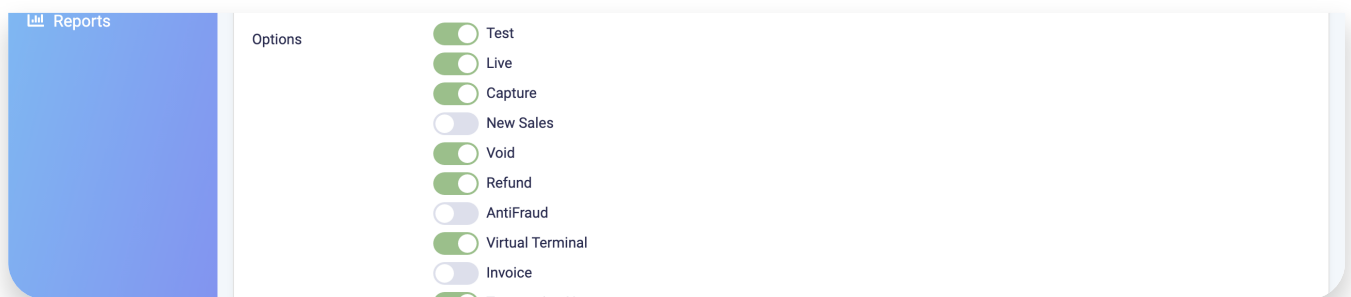

To "**Add Member**", click + **(Add New Team Members)**. You will be prompted to enter the email address of the prospective member.
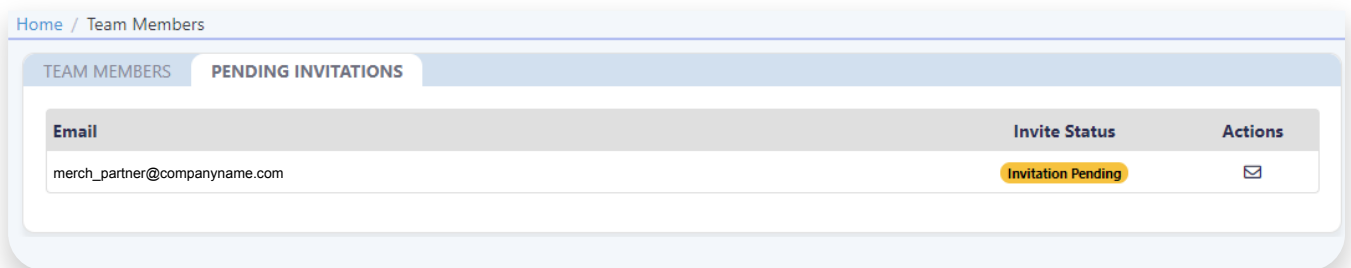

Select the desired "**Role**" and "**Profile**"

From the **Options**, enable the features per **Role** and **Profile**, then click **submit**.

Invitation remains **pending** until the verified by the new member via email.

Note: There's an option to resend an invitation, to be a member via email, when required.
